

CURRICULUM VITAE FOR TERJE ANDREAS EIKEMO

PERSONAL INFORMATION

Eikemo, Terje Andreas

Date of birth: 30.05.1977

Sex: Male

Nationality: Norwegian

Researcher unique identifiers. SCOPUS: 23110114800 / ORCID: 0000-0001-6809-7011.

URL for personal web site: <https://www.ntnu.no/ansatte/terje.eikemo>

URL for CHAIN web site: <https://www.facebook.com/chainntnu/>

URL for CHAIN twitter site: https://twitter.com/chain_ntnu

EDUCATION

2008 **PhD** in Sociology at NTNU (date of defence: June 6, 2008)

2003 **Master** in Sociology at NTNU

2002 **Bachelor** in Sociology at NTNU / Charles University in Prague

2001 **Bachelor** in German language and literature at NTNU

2000 **Bachelor** in Nordic language and literature at NTNU / Leipzig University

CURRENT AND PREVIOUS POSITIONS

2017 – **Leader of CHAIN** – Centre for Global Health Inequalities Research
www.ntnu.edu/chain

2013 – **Professor** of Sociology, Dept of Sociology and Political Science (NTNU)

2012 – 2013 **Associate Professor** of Sociology, Dept of Sociology and Political Science (NTNU)

2009 – 2012 **Post doc**, Erasmus Medical Center, Department of Public Health, The Netherlands

2007 – 2009 **Research scientist**, SINTEF Health Services Research

2003 **Trainee**, Royal Norwegian Embassy to the Czech Republic, Prague

FELLOWSHIPS, AWARDS AND PRIZES

2014 Enrolled into the **Outstanding Academic Fellows Programme** at NTNU (NTNUs Stjerneprogram). The program is designed to give already internationally recognized researchers at NTNU the opportunity to improve their competitiveness in the international research world

2010 Awarded the **SINTEF prize** for outstanding research (NOK 150 000). The prize is awarded biannually to a SINTEF affiliated researcher or research group for an outstanding scientific article or collections of articles published the last two years. The work must have received significant international attention.

2009 Awarded the scientific prize (NOK 50 000) for young excellent researchers in the Humanities and Social Sciences from **The Royal Norwegian Society of Sciences and Letters** (det Kongelige Norske Videnskabers Selskab). The prize is awarded Norwegian scientists or foreign scientists working in Norwegian research institutions (below age 35,) who have documented outstanding talent, originality and effort, and who have achieved extremely good results in their fields.

SUPERVISION OF PHD STUDENTS

2009 – (Co-) supervised 7 PhD students to successful completion: Margarete Kulik (Erasmus MC), Ivana Kulhanova (Erasmus MC), Marlen Toch (NTNU), Mirza Balaj (NTNU), Emil Øversveen (NTNU), Håvard Rydland (NTNU), Daniel Weiss (NTNU).

TEACHING ACTIVITIES

- 2016 – Course coordinator – Statistics for Social Scientists (SOS2008), NTNU
 2016 – Course coordinator – Social Inequality and Welfare (SOS3608), NTNU

PROJECT MANAGEMENT EXPERIENCE / FUNDING

- 2020 **Rockefeller-Boston University high-level Commission** on Health Determinants, Data, and Decision making (3-D Commission): 5000 US dollars to support CHAIN`s work on education as a global determinant of health.
- 2020 – 2022 Head of the **European Social Survey (ESS) repeated module** on the social inequalities in health and their determinants, funded by the **European Commission (ERIC)**.
- 2019 **Bill & Melinda Gates Foundation**: 200 000 dollars to be administrated by UNICEF to support policy and dissemination activities of CHAIN.
- 2019 – 2024 Project leader of the **Global Health Inequality Project** (funded by the Norwegian Research Council, BEDREHELSE program). Total budget: NOK 93 Million. NTNU.
- 2017 Head of the international team behind the health module of the U.S. based **General Social Survey** 2016. Collaboration between NTNU, City University London, Queen Mary University London, Durham University, Siegen University, Ghent University, University of Oxford, Erasmus University Medical Center Rotterdam, and Harvard University.
- 2016 Co-leader of the **MIGHEAL** project. A Norwegian-Greek project that examined migrant health in Greece after the economic crisis, funded by the EEA Financial Mechanism. Value: EUR 200 000.
- 2016 Co-leader of the **REHEAL** project. A Norwegian-Greek project that examined refugee health among refugees in Greece, funded by the EEA Financial Mechanism.
- 2016 – 2019 Project leader of the **Heal-Tech project** (Health Inequalities and Technology) financed by NTNU Health strategic key area. Value: NOK 10 Million.
- 2015 – 2019 Co-leader of the **HiNews project** (Health inequalities in European welfare states), funded by the **NORFACE** Welfare state futures program. Budget: EUR 1,5 Million.
- 2014 – 2017 Project leader of the **ESS R7 Access to Health Care Project**, funded by the Norwegian Research Council (HELSEOMSORG program). Value: NOK 3,5 Million.
- 2014 – 2016 Project leader of the **Burden of Disease to occupational hazards project**, funded by the Norwegian Research Council (FOLKEHELSE program). Value: NOK 2 Million.
- 2012 – 2014 Head of the European Social Survey (ESS) Question module Design Team (QDT), funded by the **European Commission (ERIC)**, which resulted in “the health module” entitled **Social Inequalities in Health and their Determinants**, which was integrated in 20 European countries and South Africa. Collaboration between NTNU, Karolinska, Queen Mary University London, Durham University and Erasmus University Medical Center Rotterdam, and Harvard. Value: 5 Million Pounds.
- 2009 – 2012 Project leader of the **EURO-GBD-SE** project (7th framework programme); a European Commission sponsored project consisting of 70 researchers from more than 20 countries. Erasmus Medical Centre, Rotterdam, NL. Total budget EUR 1 Million.

COMMISSIONS OF TRUST

- 2019 – Member of the Advisory Board of **CanScreen5**, a global data repository on Cancer Screening in five Continents led by the International Agency for Research on Cancer at the World Health Organisation.
- 2017 – 2019 Member of the Scientific Advisory Board (SAB) of the **European Social Survey**
- 2016 – Editor-in-Chief of the **Scandinavian Journal of Public Health** (impact factor: 2,183)
- 2015 – 2016 Vice President of the **European Society for Health and Medical Sociology (ESHMS)**.
- 2015 – 2018 Member of the **Norwegian Directorate of health’s** expert group on social inequalities in health

- 2015 – 2019 Member of the **Norwegian Research Council's** program board within public health (BEDREHELSE).
- 2015 – 2017 Member of the **Journal of Health and Social Behavior** editorial board.
- 2011 – 2013 Member of the **Social Theory & Health** editorial board.
- 2007 – 2009 Leader of the **Norwegian Sociological Association**, Trondheim, Norway.

MEMBERSHIPS OF ACADEMIES / SCIENTIFIC SOCIETIES

- 2017 – Member of the **Royal Norwegian Society of Sciences and Letters**.

SELECTED KEY NOTE PRESENTATIONS

CHAIN World Leadership Dialogue, World Public Health Conference (2020). Diving into the world of data: Developments in global health inequalities research. Dialogue between CHAIN, WHO, 3D Commission and Institute for Health Metrics and Evaluation (IHME).

Big Challenge research festival, NTNU (2019). Title: *Reducing the Global Health Gap*.

Invited lecture at Karolinska Institutet: [Social Inequalities in health - what can be done to reduce them?](#) (2019). This was part of a lecture series, which is presented by the Department of Global Public Health together with the Center of Epidemiology and Community Medicine, Region Stockholm.

High-level meeting between HKH Mette Marit and Tore Godal (from GAVI) on Vaccination and child health, Chair. Video-link: <https://www.youtube.com/watch?v=SEVQMkBQCMs>

Conference of the Norwegian Public Health Association 2018, Bergen, Key Note. Title: *Do technological innovations increase social inequalities in health?* Video-link: <https://www.facebook.com/chainntnu/videos/610864809328406/>

High-level meeting at the Norwegian Research Council about the need for more data on social inequalities in health: Key Note. Title: *Social inequalities in health in Norway: why more research is needed*. Video-link: <https://videoportal.rcn.no/#/videos/b65c1186-c423-40ec-9c93-f2d5e5f6f473>

Key Note at the Nordic Welfare Centre and The Ministry of Health and Social Affairs in Sweden. Conference on health equity in Stockholm 22-23 November 2018. The conference was organized under the auspices of the Swedish chairmanship of the Nordic Council of Ministers. Title: *Why social inequalities in health are unacceptable and what we can do to reduce them*. Video-link: <https://www.youtube.com/watch?v=LBwAWpUZiDc>

Presentation of main results from the CHAIN-developed health module of the European Social Survey in Paris, les inégalités sociales de santé. Title: *Social Inequalities in health and their determinants. Top lines results from round 7 of the European Social Survey*. Video-link: https://www.canalu.tv/video/progedo/ess_topline_results_presentation_social_inequalities_in_health_terje_andreas_eikemo.25465
